All property sizes  
NYC Metro Area

## ABOUT US

Founded in 1966  
Based in Ozone Park, NY  
Affiliated with the IBEW,  
Local 3 Elevator Division

Today more than ever, there's a need for dependable elevator solutions. You need quality equipment, reliable traffic management, consistent performance, and safe operations.

As demand patterns change, you need someone who truly understands elevators – and who understands you.

It's never been more important to have a partner you can trust. By keeping your traffic flowing, we keep the heart beating in your building.

## WE'RE ON YOUR SIDE

We are a vendor-neutral elevator specialist, which means that we're not tied to any one equipment provider. We offer you a selection from a wide range of options to provide a solution that meets your exact needs, budgets, and timescales.

With Unitec, you get the freedom to choose your own tailored solution package – which means optimal cost-efficiency, performance, and flexibility.

# WHY CHOOSE UNITEC

We recognize how important traffic flow, uptime and user satisfaction is. Our job is to get to know you, understand your business drivers, and see your points of criticality.

This allows us to design the best value solution for you in terms of technical requirements, mechanical footprint, user expectations, timescales, and total cost.

## We never compromise on safety

With a world-class safety program embedded into all operations, we are set to meet all your health and safety needs today and in the future.

We work with you to ensure peace of mind for both passengers and support teams.

## We share a culture of respect

Honesty, integrity, and respect are central elements of how we work. That's why we are committed to recommending the right solutions for your unique requirements – and never promising what we can't deliver.

## We always bring our best

Our skilled specialists have some of the most sought-after experience levels in the industry.

You can trust our people to make the right judgments, deliver excellent service, and provide dependable solutions and equipment.

## We make sure everyone understands

Nobody likes surprises. That's why it's important for us to make sure you always know what to expect by providing clear, frequent, and jargon-free messages.

Our communications are tailored to you, just like our solutions.
